Dear Parents/Carers

The main aim at the present time is to ensure that I am able to keep my schools open for as long as possible with safe ratios. We will be doing everything we can to reduce the risk of staff and pupils becoming ill. We are taking advice from the Local Authority and the Medical Officer to ensure that we act with the best intention.

Would parents/carers please follow Government guidance, if your child has a cough or a high temperature, please self isolate for 7 days. Please use the NHS.uk or 111.nhs.uk websites and follow the advice given – this will be classed as exceptional circumstances and not be reflected in their attendance. Please consider our vulnerable adults and children.

We know that you will be keen to support us, however, we will be restricting all non-essential visitors into school which may include parents/carers for the present time.

I will endeavour to keep you informed of any changes that may affect you.

Yours sincerely

K. Tomlinson

K. Tomlinson
Executive Head of the Shevington Federation
