

Dear Parent or Carer,

Due to being unable to meet necessary staffing ratios we are having to suspend our before and after school provision. This will come into effect from Wednesday 18th March and will mean there will be no breakfast or after school provision for a period of 14 days. This will end on 1st April meaning that Stay and Play should re-open for before and after school provision on Thursday 2nd April at 7:45am. This is an ever-changing situation and I know the impact of this will cause a huge inconvenience. We can only apologise for this decision and assure you that every effort was taken to try and provide suitable cover. We will continue to update you should there be any changes to the situation.

We apologise once again,

Thank you for your continued support

Stay and Play Management Committee
