

Shevington Vale Remote Learning Plan

In order to ensure that learning is continued, irrespective of lockdown and self-isolation, Shevington Vale Primary School has developed the following plan. This plan offers remote learning opportunities whilst also acknowledging that some households have limited access to devices.

This plan will be applied in the following instances:

1. An individual is self-isolating because of a positive test within the household;
2. A group of children are self-isolating because of a case of coronavirus in the bubble;
3. A whole bubble or cohort is self-isolating because of an outbreak of coronavirus

The plan complies with the expectations and principles outlined in the DFE document [Guidance for Full Opening of Schools](#).

Software and online platforms

Within all plans, teachers will set appropriate work in-line with our current curriculum, primarily supplemented by a range of resources provided by Oak Academy, Classroom secrets and Focus Maths.

Children will remain in contact with their Class teacher through Zoom (after daily sessions) and See-Saw (to share successes and communications).

Oak Academy has been selected to support remote learning for a number of reasons. The Oak Academy lessons are in-line with our teaching ethos – they encourage the use of retrieval practice, explicit teaching with high quality modelling, and the use of deliberate practice. The online lessons are free to all and offer a recorded taught session so that the children can access physical teaching from a teacher and then access work relating to that lesson within the same website. There are also hundreds of lessons specifically aimed at children with SEND needs and requiring additional support. children are familiar with the platform having used this at Key Worker Provision and during lockdown.

Focus Maths and Classroom Secrets are used daily in school and their resources will also be sent out to support learning. Children are very used to seeing these resources.

Purple Mash, Mathletics, and TT Rockstars will all be utilised to support the acquisition and retention of basic core skills.

Zoom will support live learning in KS2 and teacher drop-in sessions at KS1. This offers all pupils constant engagement with their class teacher either in direct lessons or through feedback after Oak or loom lessons.

See-Saw will remain in use as the communication element has already proved to be invaluable. Teachers and parents will be able to message one another to share information and offer support. The See-Saw App can be used on any device or platform. Therefore, parents are able to access resources through their phones if laptops are unavailable. When in school See-Saw is updated weekly by class teachers with the exception of EYFS who use this platform for daily assessment. During a lockdown it will be used for daily communication by all classes.

In the event of any form of isolation and loss of learning caused by Coronavirus, parents must understand that engagement in home learning is compulsory, as is the expectation that Shevington Vale Primary School makes that provision available and accessible to all. However, if children themselves are too ill to attend then they should not be expected to engage in home learning.

In preparation for home-learning, and children need to receive and store logins and passwords for the following platforms (likewise teaching staff need to be familiar with them):

- See-Saw
- Renaissance Reading
- Mathletics
- TT Rockstars
- Purple Mash

Evidence of learning

All pupils will be required to take photos of the work they have produced. School will provide exercise books for pupils to work in should a pupil receive a positive case. Photo evidence of work need to be uploaded to See-Saw so teachers can then transfer them to pupil exercise books upon the return to school. Teachers will host a zoom meeting each day to check for understanding and manage any gaps in learning.

Remote Learning

The initial response to any isolation will be to provide children with home learning materials alongside their exercise book. In the case of whole cohort isolation, resources will be uploaded to See-Saw. Any children without access to internet will be sent home with learning packs. This measure will afford teachers a short time to prepare their remote learning resources. We will endeavour to support you and your child as quickly as possible with home learning but circumstances may arise that means there is a slight delay in receiving documentation.

Pupil needs to isolate because someone in their household is symptomatic or tests positive (Omicron)	
Ongoing Support	Safeguarding/SEND
<p>Using See-Saw, the Class teacher will upload resources and links on the day of receiving the phone call or the following morning dependant upon class timetables. The teacher will decide what materials are most appropriate for the individual child. All learning will link to the curriculum being taught in class to ensure all pupil's learning is in line.</p> <p>Where appropriate live learning will take place so pupils can login from home. Dongles will be provided for pupils with no internet access. Zoom meetings will allow pupils to engage with class teacher.</p> <p>If teaching input is required for core lessons, the teacher may direct the parent to a relevant Oak National taught session. Non-core lessons and resources will be uploaded to See-Saw.</p> <p>Once all work has been completed the pupil must photograph all work completed and upload to See-Saw.</p>	<p>Parents to ensure a test has been taken and to communicate test results to enquiries@admin.shevingtonvale.wigan.sch.uk or 01257 253559. NHS England will support school with Track and Trace.</p> <p>If child is entitled to benefit-related FSM ensure food made available through Dolce catering. If child is vulnerable in any way, the DSL will ensure that appropriate agencies are notified and arrange for regular safe and well checks via a phone call from the DSL (record on CPOMS).</p> <p>If a child does not engage, the Class teacher is to call the parents to discuss obstacles and support. Follow up with DSL.</p>

A group of children are self-isolating because of an outbreak case of coronavirus in their class	
Ongoing Support	Safeguarding/SEND
<p>Using See-Saw, the Class teacher will upload resources on the day of receiving the phone call or the following morning dependant upon class timetables.</p> <p>If teaching input is required for core lessons, the teacher may either teach live via zoom or upload a loom video to outline the lesson expectations.</p> <p>Once all work has been completed the pupils must photograph all work completed and upload to See-Saw.</p>	<p>Parents to ensure a test has been taken and to communicate test results to enquiries@admin.shevingtonvale.wigan.sch.uk or 01257 253559.</p> <p>If children are entitled to benefit-related FSM ensure food made available through Dolce Catering.</p> <p>If any child is vulnerable in any way, the DSL will ensure that appropriate agencies are notified and arrange for regular safe and well checks via a phone call from the DSL (record on CPOMS).</p> <p>Those not engaging with home learning are to receive a phone call from a member of SLT to discuss the obstacles and support.</p>

A whole bubble/cohort of children is isolating because of an outbreak of coronavirus	
Ongoing Support	Safeguarding/SEND
<p>Upon notification a cohort will be sent home. Pupils will leave with an exercise book, class reader and learning pack if they have no access to the internet at home (dongles provided where available). Teachers may provide other resources. This will differ from year group to year group dependent upon topics etc.</p> <p>Teachers will send a video via See-Saw each morning outlining the work that needs to be completed that day. Zoom links will be sent for live learning and loom videos with the children will take place at the end of each day to assess understanding and manage any gaps within the learning. Teachers will also share a timetable of learning – this will consist of core subject lessons, a non-core lesson and a reading session per day.</p> <p>Using See-Saw , the Classteacher will upload resources each morning by 9am. Teaching assistants will be able to support the Classteacher in identifying resources. Teachers will then be accessible to children through Zoom each day so that any issues or live teaching can be delivered. Teaching assistants can also access the Zoom sessions so that they can support children.</p> <p>Time will also be scheduled for the children to watch celebration assembly delivered by Mr Houghton.</p> <p>Completed work should be photographed and uploaded to See-Saw each day. Teachers can then review the work completed and ensure that the following day’s lesson addresses misconceptions etc. Feedback and queries can take place throughout the day using either See-Saw or the Zoom meeting, depending on the teacher’s preference.</p> <p>In the event of teachers becoming ill, Senior Leads will be required to ‘takeover’ the See-Saw account and will continue to support all children at home.</p>	<p>Parents to ensure a test has been taken and to communicate test results to enquiries@admin.shevingtonvale.wigan.sch.uk or 01257 253559. NHS England will support Track and Trace</p> <p>If any children are entitled to benefit-related FSM ensure food made available through Dolce Catering.</p> <p>If any child is vulnerable in any way, the DSL will ensure that appropriate agencies are notified and arrange for regular safe and well checks via a phone call from the DSL (record on CPOMS).</p> <p>Those not engaging with home learning are to receive a phone call from a member of SLT to discuss the obstacles and the support needed by the family.</p> <p>The SENDCO will share appropriate Oak National SEND lessons with teachers who will disseminate accordingly.</p>
