Update of School Nurse Sessions in School

Due to recent school closures and the ongoing Covid-19 restrictions we have been unable to offer Year 1 Audiology and Reception and Year 6 Height and Weight measuring in Primary school, but we are happy to inform you that these sessions will now re-commence in school over the next few months.

Please be aware that our School Nurses will be implementing full social distancing and infection control measures, in order to protect your child. All our staff will be wearing face masks (in line with government guidance).

To ensure the safety of your child and our staff we ask that if your child or anyone in your family has a high temperature, a new and continuous cough, loss or change to sense of smell or taste or have been told to self-isolate you do not attend for the appointment or session.

Do not hesitate to contact the School Nurse Team for any further information, on the contact details below.
