

## **SAFEGUARDING**

Shevington Vale Primary School is committed to safeguarding and promoting the welfare of children and young people and requires all staff and volunteers to share and demonstrate this commitment in every aspect of their work. At Shevington Vale all staff, governors, volunteers and visitors are made aware of our safeguarding procedures and all staff are given full safeguarding training on an annual basis or during their induction. If at any time we have concerns over the safeguarding of any child then we have a duty of care to ensure that the information is passed onto our designated senior safeguarding leader and, if deemed appropriate, to social care and or the police

Our Designated Safeguarding Leader is Mrs. Karen Tomlinson (Executive Headteacher).

Our Deputy Safeguarding Leads are:

Andy Houghton (Deputy Executive Headteacher), Gill Handley (Assistant Headteacher) and Jenna Liptrot (SENDCo)

Our Nursery and Wrap Around Care Safeguarding Lead is Mrs Emily Lunt

Our Safeguarding Governor is Alison Davies
