Reading

Reading aloud to children of all ages is one of the most powerful ways to inspire children's own desire to read, whilst also exposing them to language, stories, information, authors, and genres that they might not otherwise discover for themselves. Keep going with the reading team!

Wizards and Witches Walk

A fantastic morning, completing our annual wizards and witches walk.

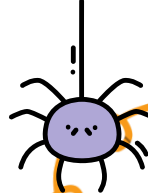

Thank you to all parents and carers who were able to come out and cheer on the pupils completing their walk.

Special thanks to the PTA for providing a sweet treat for every child.

Please don't forget to bring in sponsorship money. We really do appreciate every penny raised to go towards providing the best opportunities for our children.

Wellbeing

Ideas to improve your wellbeing...

- Listen to a song you love
- Help a family member
- Give someone a compliment
- Find something that is your favourite colour
- Make someone laugh

Cinema Trip*

Work of the Week!

Reception have been busy designing and making pumpkin soup!

Elective of the Week

In Key Stage One, Miss Hart runs a 'life skills' club on Mondays at lunch times, where they spend time learning new skills like tying shoe laces.

This week, they have been learning to put pillow cases on pillows and Miss Hart said the group aced it!
